PUBLIC SPACE

All of our performance spaces are thoughtfully integrated into the landscape of Little Island, a public park open to all. As such, guests can observe setup, rehearsals and performances as part of their visit. We work closely with park staff to prioritize the safety of both visitors and performers, while preserving this special characteristic of our venues which enhances the unique experience for all. Visitors may take photos with no flash, but DSLRs, professional cameras, GoPros, or large recording devices will not be allowed.

STAFF BADGE & ACCESS

The Assistant Producer will give you a staff badge on your first day onsite. Please have this badge on your person in a visible location when possible while you are onsite. Your badge gives you access discounts at the refreshment trailers. The Assistant Producer will arrange for you to return your badge after your performance.

INCLEMENT WEATHER POLICY

Rehearsals and performances may be affected by inclement weather. Our Inclement Weather Policy is attached to this email and provides information on how we will respond to weather related challenges that arise during your time with us.
